

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy

Building a FAIR Bioinformatics environment

Welcome to the
NETTAB 2018 Workshop

Welcome in Genoa

Welcome in Villa Cambiaso

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy

Building a FAIR Bioinformatics environment

18th Workshop on
Network Tools and Application in Biology

<http://www.nettab.org/>

@NETTABWorkshops

#NETTAB2018

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy

Building a FAIR Bioinformatics environment

Focus

Innovative and promising
ICT technologies
and their adoption in **Bioinformatics**

Goals

Show and demonstrate technologies
Train on their adoption and use
Support their exploitation

Location

Various locations in Italy
Major research groups involved

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy

Building a FAIR Bioinformatics environment

2001
CORBA and XML:
towards a bioinformatics
integrated network environment,
Genoa

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy

Building a FAIR Bioinformatics environment

2001 CORBA and XML

2002 Software Agents

2003 Microarrays analysis

2004 From Biology to Bioinformatics

2005 Bioinformatics Workflows

2006 Web Services and GRID
Infrastructures

2007 Semantic Web

2008 Biomedical Complex Systems

2009 Collaborative / Social Research

2010 Biological Wikis

2011 Clinical Bioinformatics

2012 Integrated Bio-Search

2013 Semantic, Social, Mobile Tools

2014 Structural Bioinformatics &
Integrative Systems Biology

2015 Bioinformatics for ncRNA

2016 Reproducibility, Standards and SOP

2017 Personalized Medicine

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy
Building a FAIR Bioinformatics environment

It's a
wonderful
4-4-2

And we have a wonderful Trainer

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy
Building a FAIR Bioinformatics environment

Panel Discussion

Neglected topics, Obstacles and Distractions of FAIR

Short speaking from the panellists
then interactions with the audience

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy
Building a FAIR Bioinformatics environment

Poster sessions

Room A9

Tuesday 23 and Wednesday 24 at 10:35-11:35

Software demonstrations

Room A8

Tuesday 23 at 10:35-11:35

Catering

In the atrium outside the meeting room

NETTAB 2018 Workshop, October 22-24, 2018, Genoa, Italy

Building a FAIR Bioinformatics environment

Welcome Trio Concert

Today at 18:00

Paganini Swing Trio (two violins, one violoncello)

Musics from Gallo, Paganini, Corelli

Guided Tours of Genoa

Tomorrow from 17:00 to 19:30

Three itineraries: Roman, Baroque, Popular

Register at the desk

Social Dinner

Tomorrow from 19:30 to 22:00

At the 'Chiostro dei Canonici di San Lorenzo'

Communicate changes in participation at the desk
